

## **Fairview Instrument Drive**

Last year, we started an instrument drive for people to donate musical instruments that they were no longer using to our growing band program. Over the course of last year, we grew our instrument collection from 5 instruments up to 40!

Our program continues to grow, so we are still accepting donations of concert band instruments. These include:

- Flutes
- Oboes
- Clarinets
- Bassoons
- Saxophones
- French horns
- Trumpets
- Trombones
- Euphoniums
- Tubas
- Percussion

While we do accept most instruments, there are a few specific ones that are not included in a concert band that we don't need at the moment:

- Guitars
- Violins
- Cellos
- Pianos

If you would like to donate an instrument or have questions about a possible donation, please contact Mr. Jacot. Thank you for helping our band program thrive!
